First Baptist Church of Andrews
NEWS LETTERS
Pastor- Mark Stump

**Our whole purpose is to be the heart of
God in the heart of Andrews. By keeping
the main thing, the main thing,
one relationship at a time.
Our main thing is to intentionally make
disciples who will make disciples.**

Worship Schedule

*Our Sunday Morning services will be done behind the church in a drive-in fashion so that we can comply with social distancing in our vehicles. I will also be sharing Sunday morning services through our Facebook live feed for those who feel safer at home. All other activities are canceled. Considering the demographics of our congregation we feel this is the best course of action. Should anyone need anything, the church office will be open as during normal business hours .
May God richly bless you all.

PASTOR'S PEN
A word from the heart
The Stumpmark

Dear church,

When I came on board as the pastor a year ago, I came at the prompting of the Holy Spirit. God made it truly clear to me that this is where we were to serve. When I came, I immediately came up with a list of items that we as a church needed to address from a safety and appearance standpoint as the two go together. There were a lot of what I thought were simple fixes that in turn lead to some major issues. I thought I would share with you the list I presented to the property committee when I first arrived, how far we have come, and what is currently in the works.

Pillars of the Social Hall – in process.
 Concrete Parking stones either painted or replaced. - Currently pricing.
 Carport above the ramp facing the parsonage looks terrible and neglected. - Done
 Lights for the playground. – Done
 Lights between the buildings. – Done
 Lights for in front of the church. – Done
 Emergency lights and fire alarm system fixed and operational. – in process.
 Lock on glass door to office repaired. – Done
 Church sign and signage – in process
 Broken door closure on glass door to office – Done
 Repaint ceiling of the sanctuary where it is peeling off. – in process.

On top of everything on this list, let me share with you what has also been done. Paid-off loan to new education building. Repaired sheetrock in Social Hall. Repaired leaks in wall of Social Hall. Painted the Social Hall. Replaced the roof on the Social Hall. Replaced old outdated sound system with all new sound system. Fenced in the entire back of the church property so that we can host community sports. Added to the playground. Repaired three separate leaks in the parsonage which called the ceiling to open up on the first floor of the house in three different places. Repaired the ceiling in those three places. Repaired wall that had come lose at the parsonage in mud room. Replaced the front fence of the parsonage as my children were being approached by questionable people often. It was for their safety and well-being. Adding shutters to Social Hall parlor.

Other than ongoing projects we also are raising money to:
 Paint the new educational building to make it more family friendly and inviting.
 Next on the agenda is addressing the windows of the two-story education building and then the building itself, as we cannot continue to neglect it. We actually need of the space.
 I put this out there to keep everyone abreast of what is happening at the church and to be totally transparent and good stewards of God's monies and His church.

The Stumpmark cont...

I am so proud of our property team members as they have really stepped up to the plate and have refused to use a band-aide approach and get things fixed for the long term.
 Thank you to everyone who continues to give above and beyond their tithes and offerings to make all of this happen.
 As Randy Davis would say, "We're gonna get it done and done right."

Should you have any questions, please do not hesitate to ask.
 It is great to be your Pastor.

Online giving is available. It is safe, secure and easy. Simply go to the church website, click the giving tab and follow the instructions.
 We are....

(Our Vision)
**The heart of God in the heart of Andrews

(Our Mission)
**Our main thing is to intentionally
 Make disciples who will make disciples**

Everything we do as the First Baptist Church of Andrews needs to fall into the parameters of relational discipleship. It is what we are called to do.

Thank You for allowing me to serve as your pastor.
